I understand that it is my responsibility to ensure that an adult attends this course with my child and acts as guardian for my child throughout the course, if I cannot be present. The guardian can be a parent, legal guardian, or someone appointed by me to act as a temporary guardian.

I understand that Star's Edge, Inc., the Star's Edge Trainers, and other assistants and administrators to Star's Edge do not act as temporary guardians for any minor attending the course.

If I cannot be present, I certify that the adult named to attend with my child has my authority to act as temporary guardian for my child during the course. The person I am appointing is attending the course and understands that their priority during the course is overseeing the welfare of my child.

I also hereby endorse my child's application for registration and ratify the agreement between my child and Star's Edge International, or a licensee of Star's Edge International.
